THE MOLLY CADE MEMORIAL GOLF TOURNAMENT & GALA
RAISES $100,000
FOR MINNESOTA OVARIAN CANCER ALLIANCE

Minneapolis – Minnesota Ovarian Cancer Alliance (MOCA) is pleased to announce that the Molly Cade Memorial Golf Tournament & Gala, held on July 17 and 18 at Brackett's Crossing Country Club in Lakeville, raised $100,000.

"This event was an incredible way to remember my wife Molly who passed away in 2003," said Joe Cade, MOCA Board Member and Co-Chair of the event. "She would be thrilled to know that our family, friends and members of the community came together to support MOCA."

More than 220 people attended the gala dinner on Sunday evening and 224 golfers participated in the morning and afternoon tournaments on Monday. $100,000 was raised through corporate sponsorships, donations and the purchase of raffle tickets, silent and live auction items and skins games.

"Brackett's was a wonderful host and a great venue for both the golf tournament and the gala dinner," stated MOCA Executive Director Kathleen Gavin. "We had strong support from our friends in the business community and we brought more women into the event this year. It was a tremendous success all around."

The money raised from the golf tournament and gala will support MOCA's mission of funding ovarian cancer research, raising awareness of the disease, and providing support to women with ovarian cancer and their families. In the past five years, MOCA has awarded more than $1 million for ovarian cancer research in Minnesota.

Since this event was so successful, the Molly Cade Memorial Golf Tournament and Gala will be held again next year.
