More: September is Ovarian Cancer Awareness Month

Last year, 2,000 people participated in the Walk/Run and more than $140,000 was raised. This year, MOCA's goal is $165,000. As an incentive to raise more money, MOCA is offering prizes for the top pledge getters. The funds generated help MOCA achieve its mission of funding ovarian cancer research, raising awareness of the disease, and providing support to women with ovarian cancer and their families. In the past five years, MOCA has awarded more than $1 million for ovarian cancer research in Minnesota.
